You can download a supplementary workbook to use while you review the content of this course. It is by no means compulsory but may help you to organise your learning and use for revision and review.

Tasks

Throughout this unit there are optional, unassessed learning activities to consolidate your learning. These are purely for your own benefit and are not submitted. Mostly, you will find supporting resources for completing the tasks in the printable handbook.

Test

Each lesson has a compulsory test to complete to assess your learning of core content.

Assessment

An assessment is a compulsory assignment which needs to be submitted for grading. Assessments will be graded 'pass' or 'refer'. Assessments are detailed in separate Assessment Guidance documents.

Exam

Exams are assessments that are graded as a percentage mark and will be arranged with your lecturer. For this unit, you will have a practical exam and a theory exam containing multiple-choice questions (MCQ).

The practical exam is conducted in class.

The theory exam is online.
